ROLE OF SUPPORT AND AUXILIARY WORKFORCE IN HEALTHCARE DELIVERY

SBV Channel One can be accessed at <http://sbvu.ac.in/channelone/>

Channel One provides a forum for the Vice-Chancellor & invited speakers to share facts, perspectives & experiences in the fields of health, well-being, research & innovation, & education.

Hospital services represent a confluence of the activities of individual departments towards satisfactory patient care. The core hospital services include clinical management and all clinical services. Apart from such core services, the healthcare delivery also encompasses several support and auxiliary services without which the functioning of a hospital becomes quite impossible. This channel one episode brings to the focus the various support and auxiliary services in a hospital setup.

The episode also highlights the recent achievements of SBV in areas of education, transplantation services, healthcare delivery and in yoga.
