Listed u/s 12 B of the UGC Act, 1956.

VIDYAPEETH

DEEMED TO BE UNIVERSITY
Declared u/s 3 of the UGC Act, 1956.

PhD PROGRAMMES 2023 - 24 (I - BATCH) PROSPECTUS

Inspired by Spirituality
 A University is born
 To educate in healthcare
 and shine welfare on all
 through diligent labour
 illuminated by research & knowledge
 'Let Wellbeing Prevail'

VISION

Sri Balaji Vidyapeeth will strive to be a premier global health sciences university leading in the frontiers of education, research and patient care

MISSION

- To create an innovative ecosystem that facilitates the development of health care professionals.
- To contribute to the health care workforce with competent and committed professionals.
- To provide preventive, curative and palliative high quality evidence – based care that is affordable and accessible.
- To foster a culture of scientific inquiry, research and innovation in contemporary and emerging health and related sciences.
- To be inclusive and committed in promoting wellness and empowerment of the society.

VALUE

- Inclusiveness, Integration, Innovation
- Engagement , Empowerment, Excellence

Dear Students,

You are our National Treasure, and our Country's Future is in your safe Hands. Our Nation looks forward to utilizing your talents in service to the Society. We firmly believe that the moulding of the student into a well-rounded professional largely depends on the broad vision of an educational Institute.

Sri Balaji Vidyapeeth is an embodiment of a broader vision and planned development of a sound education system... where the environment is conducive and pleasant to study, live and work, where education and research hand in hand flourish... where the hidden and inherent skills and talents of the students are nurtured and developed for the benefit of the society, for generations to come. SBV is accredited by NAAC with A ++ Grade.

Come, join our world. Let us create a better, viable, integrated global community of shared benefits, responsibilities and values for the benefit of all things living. Our origins and lives may be different, but we do share the same planet and belong to the same Mother Earth. And remember.... you are thenation's greatest gift and we are duty bound to do our best to our Nation.

M. K. Rajagopalan

CHANCELLOR

Welcome to SBV & your future

The millennium has ushered in fresh challenges which would cast a profound impact on the role of private universities. Professional competence will be highly sought after globally. The challenge shared by any university is to bestow the requisite knowledge and skills on the students and cultivate proper etiquette and attitude to produce top-notch professionals who will be valued both for their professional competence and inherent ability to solve many a problem.

Sri Balaji Vidyapeeth (SBV), Deemed-to-be-University and accredited by NAAC with 'A++' Grade with NIRF Ranking at 70, is dedicated to its chosen mission in order to nurture healthcare professionals in Medicine, Dentistry, Nursing, Allied Health Sciences, Physiotherapy and Pharmacy, who would contribute and strive ceaselessly towards caring for the comfort of the sick and weary. The constituent colleges of SBV are already noted for the excellence in various avenues that include teaching, research, and service to the community at large who are marginalized and underserved. SBV is endowed with committed, dedicated, and outstanding faculty that is denoted by a healthy mix of the young & veterans fortified further by a robust. Our challenge for the future is to capitalize on this good start and establish ourselves firmly among the comity of leading higher education institution. Taking cognizance of this, the management and the academic staff do realize this and we promise to do our best so as to train and educate the students. You, the students of SBV who have gained entry into the sacred portals of SBV this year, realize your ambition and must study well with dedication, diligence commitment and emerge as competent professionals who would make their parents and their educators proud.

We wish you all the very best and hope that you would soon emerge as outstanding healthcare professionals in diverse fields.

With loads of good wishes,

Prof. Nihar Ranjan Biswas,

MBBS., MD (Pharmacology), DM (Clinical Pharmacology)

Dr. Urjitha Rajagopalan
Trustee, SBV

SBV @ A Glance

Young, Modern & Marching Ahead

- Sri Balaji Vidyapeeth (SBV) is a young Category I Deemed to be University, proud of its modernity, yet firmly grounded in rich educational heritage.
- SBV aims to excel in academic and clinical medicine; research and training; nurturing passion and enthusiasm in to achievement and converting theoretical knowledge into evidence based practice and research.
- SBV was granted 'Deemed to be University' status by the University Grants Commission (UGC) under section 3 of the UGC Act of 1956 in 2008, in recognition of its outstanding quality of providing education, potential for excellence and obtained NAAC "A" Grade in 2015, with CGPA of 3.11 on 4 point scale and reaccredited by NAAC with A ++ Grade with CGPA of 3.58 on a 7 point scale in 2021.
- SBV has been placed in the top 100 Indian Universities for FIVE consecutive years 2016, 2017, 2018, 2019, 2020, 2021 & 2023 at the National Institutional Ranking Framework (NIRF) and is ranked 77 among all Universities in India as per NIRF 2023.
- SBV is listed under section 12 B of the UGC Act, 1956 which enables the research scholars with valid Junior Research Fellowship from UGC / CSIR/ ICMR / DBT / DST / GATE / AYUSH / INSPIRE / NET / etc for admissions into the PhD programme.
- SBV thus enjoys complete autonomy to develop and implement innovative curriculum and academic programs and to design its own education process that is responsive and tailored to the evolving needs and changes of health sciences, more so with the emphasis on research in health sciences.
- The Deemed University's constituent unit's and programmes are all duly accredited and recognized by the respective statutory bodies namely, National Medical Commission, Dental Council of India, Indian Nursing Council and Pharmacy Council of India. Graduates of SBV are eligible to register with any state council and pursue further education in any part of India.
- SBV ensures that its programs and courses are recognized internationally, by registering under appropriate provisions of various statutory and registration authorities around the world so as to confer upon the graduates, the postgraduates and research scholars the right to qualify for practice in any part of the globe.
- SBV is a research oriented university and the establishment of state-of-the-art Central Interdisciplinary Research Facility pledges considerable resources and investment for Biomedical Research.

PhD Scholars registered with SBV will be encouraged to pursue the part of their PhD programme at Vector Control Research Institute (ICMR - VCRC), Pondicherry, French Institute, Pondicherry and other institutes of repute, under the MoUs signed between SBV and other institutes.

- SBV caters to the needs of the patients in the form of alternate medicine through Institute of Salutogenesis and Complementary Medicine. The presence of Yoga and Music Therapy is an innovative move to step forward from Illness to Wellness and treating the patients through complementary medicine. MoUs signed by SBV for collaborative doctoral program in music therapy with the IMC University of Applied Sciences, KREMS, Austria and with Kaivalyadhama Yoga Institute for Yoga research are noteworthy milestones that bear ample testimony.
- The Institute of Health Professions Education brings together all health professionals to achieve academic excellence through training and research in pedagogical sciences, which has culminated in SBV signing a long term partnership with Partners Medical International, USA.
- Every year is a year of challenges, accomplishments as we attain our targets, setting newer goals and constantly striving to renew our commitment for better medical training, scientific research and clinical practice.
- SBV is governed by an enlightened collegium of eminent scholars, academicians, clinicians and scientists, headed ably by the visionary Chancellor, Shri. M. K. Rajagopalan; Vice Chancellor Prof. Nihar Ranjan Biswas, a well-recognized medical educationist and a renowned administrator, Dr. S.R. Rao, Vice President (Research, Innovation and Development), SBV, Prof. N. Ananthakrishnan, Dean of Faculty, Prof. A.K. Das, Dean Academics and Prof. Ravishankar M, Director, C-DREaMs, SBV.
